Left to her own devices, Lisa would rule the world and put women in charge of everything. There would be food for everyone and no more wars on earth. "If there is conflict, I would have the lady presidents of the warring countries on a huge bed with vibrators and whoever came first would be the winner." A truly elegant solution, Rita. # Letters From Our Readers

*Comments on the magazine, the sexy ladies, and our readers' thoughts on sex.*

Dear 50+ magazine,

Although I'm in my early sixties and never been engaged or married, if given the opportunity, I would wear a suit or tuxedo, put my face inside Rhea Roma's sweet tasty perfumed crotch and eat her delicious pussy like there was no tomorrow. She could fill it with whipped cream and I would keep my face and tongue inside her, licking and eating every delicious bit of it and I wouldn't care if she drenched my face with her sweet tasting juices after I ate her pussy. If she wanted to give me more pie in the way of perfumed whipped cream pie in my face to show her pleasure for me eating her pussy, it would be fine with me because it would be an honor to pleasure to eat her pussy and if she wanted me to, lick her sweet tasty ass. She is absolutely beautiful and gorgeous.

Harold, OH

PS: With the current economic situation, I get 50+ magazine at various times of the year because I'm retired for almost 10 years living on a small monthly income with no pension or medicare help. In two months my social security income will increase a little which, besides my savings, checking account, I pay for my monthly medical, home, and car insurance, maintenance for the latter two items, property taxes food clothing, etc. I live entirely alone because of my financial situation. But it sure would be a an honor and my pleasure to give Rhea Roma wonderful and great oral sex when she wanted it on her birthday or Valentine's Day or any other time she wanted it, when I could give it to her. I am 5' 5" tall and my weight is between 195 and 205 pounds and I have brown eyes, brown hair and a butch-type haircut.

Dear editors,

Hi. Thanks for bringing back wonderful memories. It was only by accident that I came across an issue of 50+ (V#19 2009) and two 40+. Wow! Hot!!

I love the poses of all the women spreading their asses wide!!! Hot!!! Especially Katie! I'm 27. Except for larger breasts and little different hair style she looks just like Susan. An older woman I will never forget, she introduced me to

anal sex and eagerly let me fuck her in the asshole when I was 18. (A friend of my mom's). Of course I wasn't a virgin, but I had, and still have a love of women's asses, and a fantasy of trying anal sex. The young girls I dated were not open to trying it. Well to keep it short we had my unforgettable hot passion-

ate ass fucking sessions that were hotter, tighter, better and more wonderful than had ever imagined it to be.

Susan moved away because of work and my mom said she had remarried. She's either never put it all together or hasn't said a word (thankfully). Needless to say, from then on I've been in relationships with much older women and found heaven on their tight back doors. Thanks again.

50+ magazine –

Dear Betty, you are one sexy MILF hotty from the 50+ magazine. You don't look 50, that's for sure. My name is Kevin. I'm 24 years old and I love older sexy women like you. I hope to (hear) back from you sexy, anytime, and yes, I think a woman in her fifties would be happier if she had a younger lover like me with a big 7". You know what I like? It would make things hotter in bed. It would be orgy after orgy sex. Please write back. PS: Porn is the best. I would like to sleep with a hotty like you.

Kevin, CA

To the editor,

Darling Darquise. What a beautiful name but not as close as being as perfect as your beautiful bottom. Probably four or five years ago I immediately fell head over heels with your picture in the magazine. I actually cut two of them out, a copy of my favorite is enclosed. My dream, is being on my knees, asking you for permission to lick and love your bottom exactly the way you wish Also hopefully I will be able to spread your cheeks while you use one hand on your

clit and the other in your pussy. Occasionally offering me the juices from your pussy hands. Obviously I'm rock hard as I write this. Really you are the only one that I actually cut their picture out of a magazine. I do not subscribe, but went onto the internet for a three-day trial and was hoping I would see you.

Do I have what it takes to pleasure you endlessly. Probably not, but we would do whatever it takes to give you that pleasure. The scenario about me: 67 years old, semi-retired investment baker, consultant-type, educated but not too educated, golf, live on the same lake as Bill Gates, but not in the same league, play bridge, gin rummy, like reading mystery-type books, some non-fiction, volunteer one morning a week at the local library. When in Palm Springs for the winter, worked part-time at Tiffany's to keep busy. Love sexy, sexy women, who love to pose, love to be worshipped. I am probably submissive but can be dominant, fantasized about sucking a cock but need female with me to coax me along. No drugs, weed okay, in fact enjoy it. I drink scotch in the winter, Vodka in the summer. As I recall, you live in Mesa Arizona. I played golf there about ten years ago in a tournament. No, I'm not a great golfer, probably about a 15 handicap, but my main goal is to become the best pussy licker, bottom kisser, and whatever else necessary to please my sexy, sexy lady. Yes, we can have your young stud if required but I get to wait on you, he can fuck you but I get to be the one to worship, to tend to give you pedicures, yes I do like worshipping God's greatest gift on planet earth, the female. Which reminds me, I love jokes. Recently went to Steve Lawrence and Edie Gourmet show and Steve has some great jokes

KELLY SHOWS ALL IN HER SIZZLING PICTORIAL. "I WAS REALLY EXCITED TO POSE. IT MADE ME FEEL REALLY SEXY AND I LOVED IT BEING NAKED."

and is great at telling them.

Moving along, really, when I first saw your picture I masturbated twice. Everything about you, even the wrinkles, but I could see the glimmer and the smile in your eyes, mouth and those beautiful poses, my favorite, a copy I enclosed, I hope you like your bottom adored.

The scenario which is a true one. I was acting as a consultant, an agent on a financial transaction with two gentlemen from Vancouver, BC. They were buying a hotel. I represented them on several matters. In the hotel, one day there was an older 50ish woman, who they could tell I was attracted to. I was probably 45 - 50 at the time, married with two kids, still am, anyway, they noticed my attraction, two weeks later they said they had a tip for my services, etc. I go to the room number. I got to the room and who was there in a provocative, not overly revealing outfit, but I knew I was doomed. Long story short, she was married four children and a swinger which at the time I was not aware.

She definitely controlled the situation, without prompting but anxious she was not ready and let me know it, nicely but firmly. I poured her a glass of champagne, she wanted to know if I minded if she smoked some pot. No go ahead. How bout you, okay, I'm very, very hard by now, no I'm not ready, can I at least massage your feet, okay? I loved it, small pedicured feet, and yes, I had never kissed a woman's feet before, but before long, I was sucking her toes, etc., and loved every minute of it.

We became very good friends. I met her husband. She wanted me to suck his cock and I chickened out, and I still regret it. They moved to Florida. But I

feel she mentored me on being an obedient attentive loving lover. No I am not a stud. If that is what you want, of course you can have one. I will greet him at the door, offer him a drink, etc., etc., etc., but only I can worship you, he can fuck you hard, maybe I can take pictures, but no, he cannot kiss your bottom, toes, wear your lingerie, drink your juices. No that is saved for your worshipper.

Yes, of course, you can suck his cock and teach me how to suck a cock so we can enjoy one together. Blessings and hope to hear from you, phone or whatever.

Sam in Seattle. Yes I'm going to masturbate, fantasize about being your worshipper, maybe your maid, you can feminize me to be just like you. Would love to see you with another woman, in fact, of course you can have a girlfriend, but make it just one special one, the two of you can teach me how to worship a woman.

Again I hope to hear from you and if I don't hear from you, you are a beautiful lady with a wonderful spirit about you. I can see it in your eyes, your smile, but OH MY, I do love your bottom. Oh hope I would love to kiss it, lick it, and hickies, etc. Yes you charge me up. Thank you.

Sam, WA

I'm always horny. My sex drive can be out of control sometimes. Love to fuck and suck.

There was one day that I had sex six times, with three different people. I did it twice in the morning with my lover from the night before. Then had lunch with my girlfriend and

we went back to her apartment where we fucked with dildos until supper time. When I went home, a college boyfriend was in town so I met him for a nightcap. We talked for a while and went out and fucked in the car as I was about to go home. And then we went up to his nice hotel room and fucked until midnight. That makes six times. With three people. That was a fun day.

My favorite position with guys is on my knees – doggie style. I love the guy behind me banging hard. His cock can go in really deep and I can back into him so it goes in even deeper. When I'm with a lady, I like to wear a strap-on and fuck her. Then I like to switch roles and get fucked. Seems that no matter which sex I'm with, I like to have something pounding deep inside me. Just love it.

*I told you I was always horny. I can get off just by talking to you on the phone. Do you think you can get me off, too? I'm ready for you. Call me.*

# Dr. Sabrina returns with some encouraging words Edward's constant state of horniness.

Dear Doctor,

I'm writing today because I have a problem that I cannot seem to escape. I'm sixty-two years old, in great health and lead an active life. I am a widower for eight years and have not yet found the next Mrs. I do have a few lovely ladies that I have sex with on occasion so I'm relatively happy that way. My problem is that, in between my sexual episodes, I masturbate every day. And I do mean every day, and sometimes more than once.

I am a businessman and a 9-5 working day is no diversion. I will jack-off in my office, in the bathroom, and one time I got the urge so bad, I locked the cafeteria door and found a corner to do my thing. I always clean up and dispose of the result. A couple times I was almost caught and that was scary. I cannot afford to lose my job, but when the feeling hits, I cannot concentrate on anything else. I do not think sexy thoughts, look at porn or touch myself, but out of nowhere I get an erection that will not go away until it's relieved. One day, I tried ignoring it and sat in my office with a hard on for two hours. I had to go to a meeting and make a presentation standing up and did not want it to show, so just before the meeting, I jerked off and the presentation went off without a hitch.

I was never a big masturbator throughout my life. I assume I was pretty normal, doing it once or twice a week, even during my marriage. But these last couple years, my cock seems to have developed a mind of it's own and I am a slave to it. I have spoken to my doctor about it and we went back and checked the medication I've been taking and he says none of the drugs should cause this type of reaction. I had my testos-

terone level checked and while it's a bit above normal, it's not causing this.

My sex life is relatively normal. We do all the normal stuff, in normal positions, for a normal length of time, and it is normally satisfying, normally for both of us. Sometimes however, after the lady leaves I immediately have to masturbate myself again within an hour. I'm at a loss as to what to do. I hope you have some advice for me.

Edward, Phoenix

Dear Edward,

*I thought about your situation at great length and, you know, I decided that I did not really find anything wrong with it. We tell younger folks that masturbation is perfectly healthy and a normal part of life. That does not mean that when we get older it becomes less healthy or any less normal. When we say marriage or having a girlfriend will end masturbating, that is rarely ever the case. Men and women need relief when the urge hits, not when it's convenient to have a partner around.*

*I assume that since you've confronted the frequency issue, you are always prepared to catch your cum and properly dispose of it. I assume you use tissue or the like to put the cum into, but be sure that you also have plastic zipper bags to put that tissue in when there is no place or time to flush it. Since you are around it so much, you may not be aware of the smell of cum so be sure that the smell of your actions is also minimized. Wash your hands after completion. or have some hand sanitizer lotion around. or spare your comrades of your touch.*

*I do empathize with your job situation. You do have to be really careful that it doesn't interfere with your job. The thought of ridicule or losing it altogether doesn't seem to be enough to have you stop it during office hours, but you should find some way to control it a little better. If you live close to your office, consider going home, doing it there and then go back to work. Don't ever confess to a workmate that you do this, or bring anyone into it with you. That's a recipe for disaster.*

*Good luck – and just enjoy.*

# HEY, COWGIRL

When the editor and photographer asked me what my favorite fantasy was, I told them I always dreamed of being a cowgirl. But that I was afraid of horses. Well, they promised me we could do a western shoot without horses as long as I rode a dildo. I said, "Bring it on city-slickers."

WE ASKED JENNY WHAT HER FANTASY WAS AND SHE SAID COWGIRL. OKAY, SO LETS PRETEND.

During the shoot I fantasized about being with a rugged cowboy. We began by riding on the range, herding them cattle. Later, after he put his horse in the corral, I drew us a nice warm bath and we settled in for some lathering. I got to wash him down and he did the same to me. After the bath, I dusted him with powder and started to lick his dick. He spread my pussy lips and plunged a large raw finger deep inside it.

*JENNY GOT RIGHT INTO COSTUME. WE TOOK TWO SHOTS AND GOT HER RIGHT BACK OUT OF IT.*

I got on all fours and he mounted me from behind. I grabbed his long hard cock and eased it into my hole. I pushed back on him and began to buck like his favorite bronco. He grabbed my hair like the reins and rode me for an hour. I bucked and threw him off. Climbing on top of him, I jammed my pussy into his face and went down on his cock with my mouth.

I sucked on his cock as he sucked on my pussy. He then pushes me off and jumps up waving his cock like his ten gallon, and sticks it into me. On my back I can see his wild face and feel him ramming that cock in and out of me until I explode like hot coals on a roaring fire.

**Confessions of a Hot Older Woman**

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

**Call Now. 800-735-4058**

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
